JULY 3<sup>RD</sup> TO 7<sup>TH</sup> 2017**

**VENUE: HO CHI MINH CITY UNIVERSITY OF TECHNOLOGY (HCMUT)**

# PROJECT OUTPUTS

- Create a Bachelor's Degree in administration and management of computer systems and networks
- Create a Master's degree program in professional administration and management, with a specialization in security of computer systems and corporate networks;
- Train, in each country, at least 270 students in the first year of the 2 new degree programs (180 in the Bachelor's program; 90 in the first year of Master).
- Specialize 24 teachers in EU (10KZ, 8MD, 6 VN); digitize courses and learning resources.
- Create a lifelong training modular system in the same field of education and train 50 professionals per country.
- Create a center of excellence in each country, a resource center, supporting the new offer.
- Write programs and course content, including digital resources that make them accessible in ODL.
